

COMPUTER SCIENCE (BCMPH SSP CSCI) AND COMPUTING (BCMPH MAJ COMP) 2010-11

- All courses are CISC courses unless indicated otherwise. Courses designated CS-XXX are CISC-XXX in the Arts and Science calendar and SOFT-XXX in the Applied Science calendar. MATH indicates any 100-level course in Mathematics. STAT indicates any statistics course. HONS indicates Admission to Honours in a Computing program.
- A solid arrow \longrightarrow indicates a required prerequisite, a dotted arrow $\cdots \rightarrow$ indicates a corequisite (may be taken before or concurrently), and a dashed arrow $-\ - - \rightarrow$ indicates a recommended prerequisite. Indirect prerequisites are not shown.
- Required courses in the Computer Science (CSCI) Subject of Specialization program are in **bold** boxes; other courses (i.e., options or prerequisites) are in **light** boxes. CISC-340* is not required for the BCMPH Computing Major (MAJ). CISC-499* is not required for students registered in a Professional Internship. Click in any course box to see its description.
- Timetabling abbreviations: F=fall, W=winter, FW=fall and winter, eve=evening, ns=no slot designated (see Queen's timetable), no=not offered in 2010-11.
- A high-school programming course (or equivalent experience) may be used in lieu of CISC-101* or CISC-110* as a prerequisite to CISC-121*. See the calendar for information on Complementary courses in the CSCI program. For assistance with these programs, consult an academic adviser in Computing.

Revised September 14, 2010
